PROPOSED TREES/PLANTING

- Common Hazel 5mHx5mD
- Downy Birch 5mH x 5mD
- Heather 1mHx1mD
- Common Gorse 2.5mHx1.5mD
- Guilder Rose 3mHx2mD
- Rowan 8mHx7mD
- Sessile Oak 12mHx8mD
- Holly 12mHx8mD
- Fuchsia 3mHx2mD
- Lavender 0.6mHx0.6mD
- Blackthorn Hedge
- Field rose 1.5mHx3mD
- Western gorse 2.1mHx1.2D

New planting to this amenity land area.

Denotes minor ground profiling to suit existing and proposed levels

Existing dense vegetation and woodlands to remain

Existing dense vegetation and woodlands to remain

Red broken lines denotes the existing road and hardstanding area of hardcore to be removed and taken away from site.

Existing dense vegetation and woodlands to remain

Existing dense vegetation and woodlands to remain

Yellow hatched areas denotes existing trees to be retained

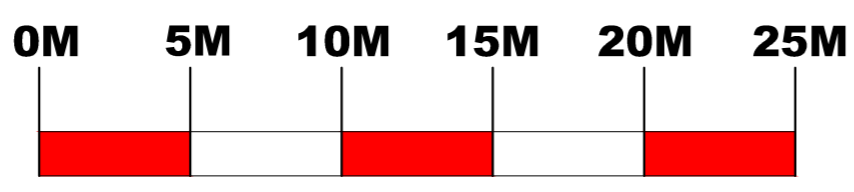

Green hatched areas denotes existing hedges to be retained
